Career Objective

Computer Science and Engineering student focused on cybersecurity, networking, AI automation, and software development. With hands-on CTF experience, programming fundamentals, Linux knowledge, and workflow automation projects, I enjoy solving practical problems and building reliable systems. I am currently strengthening my networking skills through Cisco learning, developing bug bounty skills, and building AI-assisted automations, while seeking opportunities to contribute, learn, and grow.

Professional Experience

Freelance

Self-employed

Video

Editor

Remote

Jan 2018 – Present

- Edited promotional, educational, and short-form video content using tools like Adobe Premiere Pro, CapCut, and DaVinci Resolve.
- Worked with small clients and content creators to deliver engaging visual content optimized for social media.
- Developed basic motion graphics and synced audio to enhance viewer experience.

Private

Tutor

–

Physics

&

Mathematics

Basics

Freelance

In-person

Jan 2019 – Dec 2023

- Provided one-on-one tutoring for high school students in math and basic computer skills.
- Designed custom learning materials to simplify difficult concepts and improve student understanding.
- Improved student performance and confidence through regular practice sessions and assessments.

Freelance

Photography

·

Local

Photographer

Clients

September 2020 – December 2023

- Captured photos for small events, portraits, and social content using DSLR and mobile.
- Edited and retouched images using Lightroom and Snapseed for high-quality delivery.
- Managed client communications, file delivery, and schedule coordination.

Event Manager – Campus Activities

*BIAM Model School and College, Bogura &
Govt. Azizul Haque College, Bogura.*

2016 – Present

- Managed and directed various student-organized events, supporting logistics, photography, and media documentation.
 - Assisted in organizing promotional content and technical setup during programs.
-

Extracurricular

Member

*Programming Club, Harvard University (CS50)
Jan 2024- present*

- Actively learning the fundamentals of Mathematics and Programming, Software, Application and Game Development.
- Participating in lab discussions, project observations, and skill-building sessions to prepare for future development roles.

Co-ordinator

*Cultural Classicists
Jan 2021- Mar 2022*

- Organized and coordinated cultural events, performances and team activities, ensuring smooth execution and strong group participation.

Volunteer

*July students community
September 2024*

- Took part in the revolution and regular cleaning activities to maintain a clean and hygienic environment.
- Learned teamwork, responsibility, and the importance of community service through hands-on participation.

Volunteer

*BMSC, Bogura & Govt. AH College, Bogura.
Jan 2024- present*

- Engaged in Workshops and group activities focused on leadership, decision making and self-growth.

Organizer

National Capture The Flag - DIU_CYBERCON-2025

Oct 2025

- Engaged in strategic group activities to foster professional growth and effective collaboration within the organizing team.
- Applied leadership frameworks to real-world scenarios in preparation for the upcoming national cyber conference.

1st Runner Up

Cyber Security Awareness Day 2026 – In-House Capture The Flag (CTF) Competition

Jan 2026

- Secured 2nd place (1st Runner Up) in the Cyber Security Awareness Day 2026 CTF competition at the Cyber Security Center, Daffodil International University, demonstrating rapid problem-solving and technical proficiency.
- Solved time-bound cybersecurity challenges involving security fundamentals, analytical thinking, and practical exploitation concepts.

Education

- **Bachelor of Science in CSE**
Daffodil International University, Dhaka, Bangladesh
2025- Present
- **HSC** **5.00**
Govt. Azizul Haque College, Bogura, Bangladesh
2023
- **SSC** **5.00**
BIAM Model School and College, Bogura, Bangladesh
2021

Skills

- **Programming Skills:** *C, C++, Python, Java (foundational)*
- **Soft Skills:** *Communication, Collaboration, Time Management, Project Management, Marketing.*

- **Automation & Productive Tools:** *n8n, Google Workspace, Microsoft Office Suite, Canva.*
 - **Creative Tools:** *Adobe Premiere Pro, Davinci Resolve, Adobe After Effects, Photoshop, Illustrator, Capcut, Lightroom.*
 - **Cybersecurity & Technical Skills:** *Linux, cybersecurity fundamentals, networking (Cisco coursework - in progress), bug bounty (learning), web development, AI automation.*
-

Certifications

- DIU_Cybercon2025 - Organizer - 2025
 - AI 100: Fundamentals - 2025
 - Practical Security Fundamentals - 2025
 - Linux 100: Fundamentals - 2025
 - Programming 100: Fundamentals - 2025
 - AgentX Prompting – Microsoft (Netcom Learning) – 2025
 - CS50x: Introduction to Computer Science – Harvard University (edX) – 2024
 - The Complete 2023 Web Development Bootcamp by Angela Yu – Udemy – 2023
-

Awards

- **1st Runner Up** - *Cyber Security Awareness Day 2026 In-House CTF, DIU Cyber Security Center*
- **Organizer** - National Capture the Flag - DIU_CYBERCON2025
- **Young Innovator Recognition** – July Students Community, 2024
- **General Scholarship** – HSC (Higher Secondary Certificate), 2023
- **General Scholarship** – SSC (Secondary School Certificate), 2021
- **Best Cultural Coordinator Award** – Cultural Classicists, 2021
- **1st Place – 100m Sprint** – Annual Sports Day, BIAM Model School and College, 2019
- **General Scholarship** – JSC (Junior School Certificate), 2018
- **Volunteer Excellence Award** – BIAM Model School and College, 2018

Languages

- **Bangla** : Native Proficiency.
 - **English** : Full Professional Proficiency.
-

Professional Development

- **Completed:** AI 100: Fundamentals - 2025
Gained foundational knowledge in AI, AI Automation and AI Agent Development.
 - **Completed:** Practical Security Fundamentals - 2025
Gained foundational knowledge in security protocols, cyber security, and security fundamentals.
 - **Completed:** Linux 100: Fundamentals - 2025
Gained foundational knowledge in linux, linux terminal and linux commands.
 - **Completed:** Programming 100: Fundamentals - 2025
Gained foundational knowledge in basic structured programming, python programming and programming fundamentals.
 - **Completed:** CS50x – Introduction to Computer Science (Harvard University, 2024)
Gained foundational knowledge in programming, algorithms, and problem solving.
 - **Completed:** The Complete 2023 Web Development Bootcamp – Dr. Angela Yu
Built real-world web projects using HTML, CSS, JavaScript, Node.js, and more.
 - **In Progress:** Cisco Networking & Cybersecurity Bug Bounty - *Cisco networking fundamentals and practical web-security/bug-bounty learning.*
 - **AI Automation Projects:** *n8n workflows with Forms, Sheets, Gmail, and AI logic for lead scoring and automated follow-up.*
